### **Note to Parents:**

Colorado Outdoor Learning School is located just outside of Durango, CO. As with nearly any location in Colorado, the weather can change drastically throughout the course of the day. All of our activities are in the outdoors. Safety is of the utmost concern and activities will be promptly cancelled if the weather poses a threat. However, many of our activities are perfectly safe, rain or shine, and we will continue with activities unless there is a safety concern in continuing. Please do your part to prepare your children in advance, and send them with clothing that can be layered, and waterproof rain jackets. Please also note that COLS will not be held liable for any valuable items (cameras, cell phones, electronics, etc.) that are lost, broken or stolen while your children are at camp. Please keep this in mind when considering what to send with your children. Cell phones will be collected upon arrival at camp, and returned upon departure. This will ensure that each student gets the most out of their camp experience without distractions. There is a camp store with candy, soda and camp gear that campers can buy. Please know that your children will need cash in order to purchase anything from the camp store. Camp will not be held liable for the loss of any person's cash. Please use discretion with how much cash you send with your children.
